

Curriculum Intent

Underpinned by our theologically-rooted Christian vision of '**A family of learner's expecting the best**' and Bible verse '**May we have life to the full**', we aim to ensure our curriculum encourages every child to flourish. At Radford Semele C of E Primary School, we foster a love of learning, make lasting memories and take pride in achieving educational excellence. Through an exciting, engaging and stimulating curriculum, our children become confident, resilient learners who are active members of the community and care for other people and the world around them.

During their time at Radford Semele, children will:

Become active, determined and resilient learners who make links in their learning through a themed approach to the curriculum.

Engage in a wide and varied range of subjects and curriculum themes which will prepare them with the knowledge and skills to become considerate, responsible and well-rounded global citizens who value diversity and individuality.

Strive to achieve their very best, persevering when they experience difficulty and celebrate mistakes as learning opportunities.

Take part in a number of educational visits, including residential visits, and visitors to enhance their learning, gain first-hand experiences and learn outside of the classroom.

Regularly share and celebrate their learning with parents and carers, who are a key part of our family of learners.

Play an active role in community and charity projects, including those linked to St Nicholas Church, to develop their sense of responsibility to other people and the environment and understand their place in the local, national and global community.

Have opportunities to participate in a wide variety of extra-curricular clubs and events, including representing their school in sport, the arts and music.

Through our work as a Rights Respecting School, know that their voice will be heard and take an active part in school improvement through opportunities to join the School Council, Student Leadership Team and Collective Worship Group.

Leave Radford with the confidence and skills to make decisions, self-evaluate, make connections and become lifelong learners.
