

### Theologically Rooted Vision: A Clear Theology Rooted in the Christian Narrative

<p><b>Creation</b></p> <p><b>Creativity</b></p> <p>We have a broad and balanced curriculum that underpins essential learning while drawing out unique talents and celebrating each person – pupils and staff - and all they can do.</p>	<p><b>Incarnation</b></p> <p><b>Generosity</b></p> <p>Jesus came alongside people looking for the best in them and inspiring by example. We are all willing to give encouragement, model what is expected and give everyone the opportunity to excel. We ensure all are supported through challenging times too.</p>	<p><b>The Trinity</b></p> <p><b>Perseverance</b></p> <p>We work together, enabling one another to do well, always improving. We include all, celebrate diversity and welcome input from the wider community.</p>
<p><b>Love</b></p> <p><b>Respect</b></p> <p>This allows challenge to be seen in a positive light and difficult conversations to be handled well. We are always encouraged to be and do our best. We aim to inspire all to seek justice and equity for others, making positive changes locally, nationally and globally.</p>	<p><b>Salvation</b></p> <p><b>Forgiveness</b></p> <p>There is hope for all. We are safe to make mistakes and go forward to be the best version of ourselves, as individuals and as a community. This is transformative for all as everyone is accepted and included.</p>	<p><b>Reconciliation</b></p> <p><b>Responsibility</b></p> <p>We take responsibility for our actions and seek to deal with conflicts in a positive manner. We care for each other and recognise our differences, which allows healing and positive outcomes.</p>
